Judge by character, not color. CRT re-racializes America and contradicts the Gospel and the Civil Rights ideal.

LIGHT PATH

L LIKENESS OF GOD
One race — human. Equal dignity, equal fallenness, equal need of grace.

I ILLOGIC OF CRT
CRT judges by ancestry, is unfalsifiable, and mirrors the racism it claims to fight.

G GENUINE PROGRESS
America's sins are real — and so is massive moral progress. 1619 myth ≠ full story.

H HARM TO KIDS
Kids taught oppressor/oppressed scripts; division grows; merit dies.

T TRUE GOSPEL UNITY
Reconciliation in Christ — repent real sin; reject racial essentialism.

“You deny racism exists”

Racism is sin. CRT's cure (more race obsession) worsens the disease.

“CRT is just accurate history”

YOU SAY
Teaching slavery and Jim Crow ≠ CRT. CRT is a worldview of systemic racial determinism.

THEY SAY
“Opposing CRT = supporting racism”

YOU SAY
False dichotomy. Sowell, McWhorter, Elder — and MLK's dream — reject both.
